

10 Years of Poole Branch

**On Friday 14th May at Poole Branch we celebrated our 10th year in service providing care to our service users.
We celebrated with the office team and care staff.**

Poole's Manager Kathy Vasquez who has been with the company for 12 years thanked all the carers for their hard work and dedication.

Poole Branch started with the office on Ashley Road in 2011 then moved to Parkstone Road office in 2014.

10 Years of Tammy

As well as our branch being 10, Tammy Clay is our longest standing carer who started working with us in September 2011, Tammy is loved by all service users, when doing telephone monitoring a service user described Tammy as “A Gold Star to the company” Tammy is known on the field for always going above and beyond for her service users, putting 100% into everything she does, having a smile on her face and constant happy and caring nature.

Over the last 10 years Poole Branch has had many events to be proud of, from raising money for charities, celebrating carers at Christmas and carer of the month, we worked through the beast from the East and continue to serve the community in the global pandemic. Our carers have been truly amazing throughout showing their support and hard work to the company.

We have celebrated with carers at their weddings, birthday and having babies!

Poole Branch have celebrated the office team's birthdays and celebrated with the carers on special milestone, not forgetting their birthdays too!!

Our team continues to come together for our service users who do not have family nearby at Christmas and we celebrate with them!

Every year we put together present bags for clients that do not have family near them at Christmas

The office team comes together to decorate the office to make it all festive for all to enjoy.

Senior Management came down to join in the Festivities for Christmas.

Carers taking a break

In 2017 carers had the chance to go to an evening out at the Dogs where they were given a 3 course meal and a chance to win some money!!

Enjoyed by all.

Over the years have managed to catch up with carers in many different ways, thanking them for all their hard work and support with nights out at the pub, BBQ's and not forgetting the Eleanor Staff Christmas Parties to see the year to an end and have a dance!

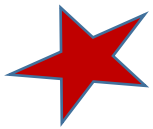

PJ Day at the office!
